

Monoprinting

Using a Gel Printing Plate With Sue Starr

Thursday Eves – Beginners and attendees of last series of classes welcome.

Feb. 22nd; March 1st, 8th and 15th.

6-7:30pm / \$70 for all four sessions.

For high school students and adults. It is designed for everyone!

Monoprinting is a form of art where the printmaker uses colors, implied textures, layering, lines or images to create a unique final print, of which there is only one

Learn how to create beautiful, framable prints in a creative and supportive environment. Each week we will explore new techniques and you will create multiple prints. Printmaking using Gel Printing Plates is fun and it is easy to create beautiful works of art by using various textures to create rich layers of colors and patterns.

All supplies provided. This class will fill up quickly, so sign up at the Library as soon as you can. Hope to see you in class!
